Aims and objectives

What do you wish to achieve by providing regulated activities?

How will your service help the people who use your services?

Please use the numbered bullet points:

1. The provider aims to deliver a high standard of dental treatment in a caring, safe and thoughtful environment.
2. It is our aim to always provide dental treatment in line with current theory and practice, choosing a minimally invasive approach.
3. Patient access, satisfaction and safety are our primary concerns and we are also committed to the safety, equal opportunity and personal development of the dental team.
4. The service we provide will lead to improved dental health and dental aesthetics for our patients.
5. The service we provide will increase the awareness of prevention and positive health choices.
6. The provider aims to raise awareness of dental hygiene and increase access to dental services in the local community with a particular emphasis on vulnerable individuals.
7. We wish to bring attention to the impact of smoking on dental hygiene.
